

Internship Letter

Date: 1st March 2026

Dear Keshav,

Congratulations on receiving your internship offer!!

We are pleased to offer you a training/internship opportunity for the role of **Trainee Web Developer**. Your internship will commence on **April 1st, 2026**, and you are required to report physically on this date. Any changes to the joining date from either side should be communicated in advance.

To confirm your acceptance, please acknowledge this offer along with your joining date. Kindly note that the terms of this internship are subject to company policies. This offer is also contingent upon the verification of your original documents, including educational qualifications, address proof, and any other required documents.

On-the-Job Training (OJT): The training period will be 90 days.

We welcome you to Sumedha Softech and look forward to a long, fruitful, and rewarding association with you.
